CITY COLLEGES | **Early College**
OF CHICAGO

Early College Admissions Checklist

Student's Name: _____

High School Name: _____

Grade Level: ☐ SO ☐ JR ☐ SR **Email:** _____

How to Enroll

1. Talk to your high school counselor about Early College. Get approval from your counselor and the dual enrollment coordinator at your preferred City Colleges location.

2. Students must be residents of the City of Chicago. For Residency Verification, submit a HS transcript, School photo ID, Driver's License, or IL State ID

3. Complete the City Colleges application at **applyearly.ps.ccc.edu**. Select the option that reads: Pursue a limited amount of courses as a visiting student, personal interest, or as a dual enrollment/ credit student.

4. Complete the permission and Satisfactory Academic Progress (SAP) disclosure forms.

5. Determine your college preparedness by reviewing your SAT/ACT scores.

    a. For the SAT, you will need to score a 480 or above on the reading and writing portion and a 530 or above for the math portion.

    b. For the ACT, you will need to score a 21 or above in English and a 21 or above in math.

6. If you don't meet the SAT/ACT placement standards or if you haven't taken either test, you'll need to take the CCC Read-to Write placement test and/or the ALEKS math placement test. You will need to use your City Colleges login and password to access these tests. You do not need to take the CCC placement tests for classes that do not require requisite scores.

7. If you're interested in dual enrollment, view the schedule at **apps.ccc.edu/scheduling/dual**. List your top three course selections, including the name and five-digit class number, below:

    1. _____

    2. _____

    3. _____

8. Submit your application with all required parental and counselor signatures.
