METAS

SUMMER START

Application Steps:

1

Apply to City Colleges of Chicago: Visit apply.ccc.edu and complete the application as a degree-seeking student for a Summer 2026 start.

2

Fill out the Summer Start application form: Visit tinyurl.com/Summer-Start26 to select the General Credit Track, Malcolm X as your campus and **click 'Yes' for the question asking if you are interested in joining METAS.**

3

Check your email: Find a message from summerstart@ccc.edu with important information about next steps. Make sure to check your email inbox each week leading up to Summer Start in case you have important messages from staff at CCC. Messages will go to the email account that you list in the Summer Start application!
